BASK INTEREST CHECKING ACCOUNT PROMOTION OFFER RULES

THE RULES:

- Open a Bask Interest Checking Account between August 1, 2024, and December 31, 2024.
- Rate Bonus Reward Period: September 1, 2024, through January 31, 2025.

TO QUALIFY:

- Complete \$2,500 monthly automated deposits through the reward period.²
- Maintain an average monthly balance of \$5,000 through the reward period.³

Qualifying participants will receive the rate bonus reward of 2.00% APY¹ through January 31, 2025. It will be paid in addition to the base rate⁴ of 1.00% APY¹ on the average monthly deposit balances in your Bask Interest Checking Account at the close of each statement period after all qualifying activities are met. If one or more of the qualifying activities are not met, the reward bonus will end until qualifying activities resume.

EXAMPLE OF ELIGIBILITY:

- Opened Bask Interest Checking Account on August 15, 2024.
- Set up recurring automated deposits into account on September 1, 2024.
- Completed a recurring automated deposit of \$2,500 and maintained an average monthly balance of \$5,000 in September and October 2024.
- Maintained the recurring automated deposit minimum of \$2,500 and average monthly balance of \$5,000 per consecutive statement period.
- Receives additional 2.00% APY through January 31, 2025.

¹Annual Percentage Yield (APY) is accurate as of May 15, 2024. APY is variable and subject to change at any time without notice. No monthly account fees. Must fund within 15 business days of account opening.

²Posted monthly recurring, automated deposit can come from account owner's employer, payroll, benefits provider or government agency via ACH deposit. External bank ACH transfers also qualify. Check deposits are excluded as recurring, automated deposits. Incoming deposits can be more frequent than once per month to total the qualifying amounts above.

³The Monthly Average Balance is calculated based on an aggregate that includes the end-of-day current balance (less holds) for each day in the period and divided by the number of days in the period.

⁴The Base Interest Rate and Annual Percentage Yield (APY) is variable and subject to change at any time without notice.
